**Schedule NSMO-1**  
**NON-STANDARD METERING OPTION ("NSMO") RIDER**  
**RESIDENTIAL SERVICE**

**APPLICABLE**

The NSMO Rider is available to Customers who receive Domestic Service, subject to the special terms and conditions set forth in this Schedule. The Utility will refrain from requesting changes to the existing rates established in this Schedule before January 1, 2020, pursuant to Commitment No. 9 that was approved by the Public Utilities Commission of Nevada in Docket No. 13-07021.

**TERRITORY**

Entire Nevada Service Area, as specified.

**DESCRIPTION OF SERVICE**

A Customer who receives Domestic Service may request to have the Utility install a non-standard meter at the Customer's Premise pursuant to this NSMO Rider. Provided that the Customer meets the requirements set forth in the Special Condition section of this NSMO Rider and within a reasonable time of receiving such request, the Utility shall install a non-standard meter as defined in the Metering Equipment section of this NSMO Rider. Customer must request the installation of a non-standard meter by using the methodology specified by the Utility.

**RATES**

NSMO-1  
\$52.86 – Per Meter Initial Fee;  
\$8.82 – Per Meter Per Month

All rates charged under this NSMO Rider are in addition to charges, rates and fees contained in the Customer's otherwise-applicable rate schedule ("OARS"). Service under this NSMO Rider shall commence following the date of meter installation. Accordingly, the Utility shall include the full amount of the Per-Meter-Initial-Fee and the full amount of the Per-Meter-Per-Month charge on the Customer's first bill following installation of the non-standard meter.

**METERING EQUIPMENT**

The non-standard meter is an analog meter.

**SPECIAL CONDITIONS**

1. **Application for Service.** Application for service hereunder will be accepted by the Utility on a first-come, first-serve basis and is pursuant to the requirements set forth in this Rider. Required metering equipment will be installed accordingly, subject to availability. Service under the NSMO-1 and NSMO-2 schedules is limited to 12,000 services cumulatively.

2. **Optional Time-of-Use Rates and Net Metering.** A Customer who receives service pursuant to the NSMO Rider is not eligible to receive service under any optional time-of-service schedule (such as Schedule ORS-TOU) offered by the Utility. Likewise, a Customer who receives service pursuant to the NSMO Rider is not eligible to receive service under Schedule NMR or Schedule SSR.
3. **Other Optional Programs.** A Customer who receives service pursuant to the NSMO Rider may not be eligible to participate in optional programs offered by the Utility if the Utility determines, in its reasonable discretion, that the NSMO service makes the Customer's participation in the optional program inefficient, not feasible, or too costly.
4. **Failure to Make Timely Payment.** Any Customer who fails to make timely payments towards the Customer's bill in accordance with the provisions of Rule 5(B) twice in any 12-month period shall not be eligible for service under this NSMO Rider.
5. **Evidence of Tamper.** If the acts of the Customer or the conditions upon the Customer's Premise are such as to indicate to the Utility that the Customer intends to defraud the Utility or the Customer tampers or interferes with the operation of the Utility's Meter, the Utility may deny any request for, or revoke, service under this NSMO Rider.
6. **Right of Access.** The Utility may deny service under this NSMO Rider to any Customer who, twice in any twelve month period, interferes with the Utility's right to access the Customer's Premise as provided for in Rule 16(A)(5) or Rule 16(D). The Utility shall provide any such Customer 30-days notice of the Utility's intention to install a standard meter.

Upon request, the Company will calculate initial and per-month charges that reflect the incremental cost associated with providing NSMO service for those customers in non-residential service classes that do not have standard NSMO charges defined below. In such cases the charges will be filed by advice letter for Commission approval.

**TERRITORY**

Entire Nevada Service Area, as specified.

**DESCRIPTION OF SERVICE**

A Customer who receives General (GS) and Large General Service (LGS-1) may request to have the Utility install a non-standard meter at the Customer's Premise pursuant to this NSMO Rider. Provided that the Customer meets the requirements set forth in the Special Condition section of this NSMO Rider and within a reasonable time of receiving such request, the Utility shall install a non-standard meter as defined in the Metering Equipment section of this NSMO Rider. Customer must request the installation of a non-standard meter by using the methodology specified by the Utility.

**RATES**

NSMO-2 (GS):       \$61.18 – Per Meter Initial Fee;  
                              \$9.07 – Per Meter Per Month  
NSMO-2 (LGS-1): \$73.58 – Per Meter Initial Fee;  
                              \$9.05 – Per Meter Per Month

All rates charged under this NSMO Rider are in addition to charges, rates and fees contained in the Customer's otherwise-applicable rate schedule ("OARS"). Service under this NSMO Rider shall commence following the date of meter installation. Accordingly, the Utility shall include the full amount of the Per-Meter-Initial-Fee and the full amount of the Per-Meter-Per-Month charge on the Customer's first bill following installation of the non-standard meter.

**METERING EQUIPMENT**

The non-standard meter for the NSMO-2 rider is a non-communicating solid state meter with electronic display.

**SPECIAL CONDITIONS**

1. **Application for Service.** Application for service hereunder will be accepted by the Utility on a first-come, first-serve basis and is pursuant to the requirements set forth in this Rider. Required metering equipment will be installed accordingly, subject to availability. Service under the NSMO-1 and NSMO-2 schedules is limited to 12,000 services cumulatively.
2. **Optional Time-of-Use Rates, Net Metering and Standby Service.** A Customer who receives service pursuant to the NSMO Rider is not eligible to receive service under any optional time-of-service schedule (such as Schedule OGS-TOU or OLGS-1 TOU) offered by the Utility. Likewise, a Customer who receives service pursuant to the NSMO Rider is not eligible to receive service under Schedule NMR, Schedule SSR or Schedule LSR.
3. **Other Optional Programs.** A Customer who receives service pursuant to the NSMO Rider may not be eligible to participate in optional programs offered by the Utility if the Utility determines, in its reasonable discretion, that the NSMO service makes the Customer's participation in the optional program inefficient, not feasible, or too costly.
4. **Charges for Other Schedules.** The standard non-residential charges stated in this schedule shall only apply to those customers billed under the GS and LGS-1 schedules. If a Customer in the LGS-1 class receives service under this NSMO Rider and subsequently migrates from the LGS-1 class to a larger class, that customer will be assessed additional charges to reflect the incremental cost of providing NSMO service. When a Customer migrates, the Utility shall estimate the incremental cost of continuing to provide NSMO service and notify the customer of such costs within 90 days. The Customer may terminate service under the NSMO Rider or shall pay the incremental cost of continuing service under the NSMO Rider within 15 days after the Utility provides notice. If the Customer fails to pay such charges within such time, the Utility shall terminate service under the NSMO Rider.
5. **Failure to Make Timely Payment.** Any Customer who fails to make timely payments towards the Customer's bill in accordance with the provisions of Rule 5(B) twice in any 12-month period shall not be eligible for service under this NSMO Rider.
6. **Evidence of Tamper.** If the acts of the Customer or the conditions upon the Customer's Premise are such as to indicate to the Utility that the Customer intends to defraud the Utility or the Customer tampers or interferes with the operation of the Utility's Meter, the Utility may deny any request for, or revoke, service under this NSMO Rider.
7. **Right of Access.** The Utility may deny service under this NSMO Rider to any Customer who, twice in any twelve month period, interferes with the Utility's right to access the Customer's Premise as provided for in Rule 16(A)(5) or Rule 16(D). The Utility shall provide any such Customer 30-days notice of the Utility's intention to install a standard meter.
