Pursuant to NRS 239.055, public records requests that require extraordinary (over 1 hour of Commission resources) will be subject to a fee reflective of the cost to the agency to fulfill the request, not to exceed \$.50 per page. The first hour of staff time will not be charged. No cost will be assessed for inspection of existing public records unless staff time to retrieve or otherwise process the public records exceeds one hour.

If estimated staff time exceeds one hour, the requestor is responsible for the staff time incurred, which is due and payable before processing of the records will begin. Fees for staff time are in addition to fees for copying.
