RE: Regulated Assessment for Calendar Year 2013

Dear Public Utility:

Pursuant to Nevada Revised Statute 704.035, please complete the enclosed Annual Revenue and Assessment Report Form and return it to the Public Utilities Commission of Nevada (Commission) with your remittance on or before **July 1, 2014**. **Forms that are incomplete will be returned to the preparer.** Additionally, please complete and submit the Reconciliation of Assessable Revenues Form along with the Assessment Report Form and payment. This form should reflect the information filed with the 2013 Annual Report which was due May 15, 2014.

The assessment rate for fiscal year 2015 is 2.55 for the Commission and 0.74 for the Bureau of Consumer Protection for a total of 3.29 mills (.00329). This rate is based on the total gross operating revenue as defined in NRS 704.033 for the period commencing January 1, 2013, and ending December 31, 2013. The minimum assessment due and payable to the Commission is \$100.00.

NRS 353.1467 requires "all payments of money owed to a Nevada state agency for taxes, interest, penalties or any other obligations that, in the aggregate, amount to \$10,000 or more must be made by any method of electronic transfer of money allowed by the state agency". Failure to transfer funds in the amount of \$10,000 or more electronically is a violation of NRS 353.1467.

Electronic payments can be made to the Commission by accessing the Commission's website at: <http://pucweb1.state.nv.us/pucpayments2/>.

Payments can be made by selecting the **Annual Regulatory Assessment** link. For technical assistance, please contact Rupert White at (775) 684-6129.

If your assessment is less than \$10,000 you may pay electronically or by check; if by check, please send the completed and signed under oath report form and remittance to:
