SSMWC ANNOUNCES SUSPENSIONS OF WATER SHUTOFFS

Silver Springs Mutual Water Company understands our obligation to the community we serve which includes the personal safety of our neighbors through personal sanitation. We know a safe and reliable source of potable water is vital for hand washing, surface cleaning, and other measures to help stop the spread of COVID-19.

SSMWC is suspending water service shutoffs, effective immediately, for delinquent payments in our service area. This policy will remain in effect until at least March 30, 2020, and will be reevaluated at that time, considering the prevailing COVID-19 conditions. Customers who are behind on their water bill are encouraged to bring them current as the suspension of shutoffs is only temporary.

Maintaining service is a step we are taking to support the health and well-being of our customers and community. We encourage everyone to read and follow the guidelines recommended by the Centers for Disease Control (CDC) to protect yourselves and your families.

Please call our office at 775-577-2223 if you have any questions.
