RE: 2023 - 2024 Railroad Annual Assessment (based on Tonnages)

Dear Railroad Utility:

The Commission has set the annual assessment rate for **fiscal year 2024 at \$.007239 per ton**. This assessment rate is levied on railroad tonnages for cargo into, out of, or through Nevada for the period January 1, 2022 to December 31, 2022.

Pursuant to Nevada Revised Statute 704.309, please complete the enclosed Annual Assessment Report Form and return it to the Commission with your remittance on or before the due date of **November 1, 2023**. **Forms that are incomplete will be returned to the preparer.**

NRS 353.1467 requires "all payments of money owed to a Nevada state agency for taxes, interest, penalties or any other obligations that, in the aggregate, amount to \$10,000 or more must be made by any method of electronic transfer of money allowed by the state agency". Failure to transfer funds in the amount of \$10,000 or more electronically is a violation of NRS 353.1467.

Electronic payments can be made on the Public Utilities Commission's website at <http://puc.nv.gov>. Select **Filing & Fees**, then **Electronic Filings & Payment System**, then the **Electronic Payment System** option. Payments can be made by selecting the **Railroad Annual Assessment (based on Tonnages)** link in the middle of the page. For technical assistance, please contact Rupert White at 775-684-6129.

Should you have any questions regarding these requirements, please contact Fiscal Services at 775-684-6195. Thank you.

Sincerely,

Stephanie Mullen  
Executive Director
